CORRESPONDENCE.

Fives Courts Abroad.

To the Editor of Squash Rackets and Fives.

Dear Sir,

I wonder if it would be of any interest to you to hear that when motoring some ten years ago in the Basque Provinces on the borders of France and Spain I came across a village with a Fives court in which the villagers were playing. I am unable to tell you the exact spot, but I believe it was somewhere in the neighbourhood of Irum. This particular court is very vivid in my mind as I stopped my car and either watched or joined in the game to the amusement of my wife who was with me at the time. I fancy that many of the villages in these parts have their own Fives courts, but it is so long ago since I was there that my memory is a little blurred on this point.

Yours sincerely,

A. CARR.
