A Group of Fives Players.

We made reference in our May issue of last year to a visit paid by eight Rugby Fives players to Sutton Valence in order to play Fives and do justice to a splendid entertainment. Now a photograph has been produced by a member of that team and since it shows a number of well known players, we have thought it well to publish it below.

Standing and at back—G. R. Rimmer, D. G. Mackenzie, K. R. R. Readhead,
