B. R. GRIFFITHS at the "Duck and Dominoes."

Our artist, whoever he may be, caught Mr. B. R. Griffiths, the new match secretary of the Rugby Fives Association, when he had just stepped in to toast the work of the Association at the "Duck and Dominoes." The likeness (see this page) is an excellent one, and we venture to suggest that when Mr. Millage reads this page in far off India, he will be delighted to find that his successor is following in his footsteps in more than one respect.
