- £10 per entrant
- £5 per student
- Free for anyone still at school

The seeding for the qualifying competitions will be based on the RFA rankings.

The finals are made up of 16 players. The top 4 ranked players qualify automatically with the other 12 places split between the 5 regions. The number of qualifiers from a region will depend on the size and strength of the entry for each region and varies from year to year.

The seeding for the finals will be based primarily on rankings, but adjusted to take account of the results in the qualifying events. Credit will be given for winning or finishing as runner-up in a region, and for wins against higher ranked players. The draw will attempt to avoid repeats of matches already played between players from the same region. The seedings will be decided by a committee appointed by the RFA.

All play must be in accordance with the RFA's [Health & Safety guidelines](#). A copy of the the RFA's full Risk Assessment can be found on the [RFA website](#)

Regional qualifiers and the finals weekend will use the G6 ball. Anyone unsure where they should be trying to qualify, can drop me an email at charliegbrooks@gmail.com or call me on my mobile 07967 552 652.
