Special Needs:			Equipment/Resources:	
Objective for session: To introduce practices to improve the players ability to play a straight check drop shot from the back court.			Contingency Plan:	
Session potential safety hazards:			Action taken to minimise risks:	
<b>ACTIVITIES</b>			<b>TIMING</b>	<b>COACHING POINTS</b>
<b>Preparation &amp; warm up period</b>				
<b>Practice &amp; progression</b>	<p>STRAIGHT CHECK DROP SHOT FROM BACK COURT.</p> <p>Coach Explanation of the check drop shot.</p> <p>These shots should be used when a player knows his opponent is not on the mid court position. The player can bring more deception to the shot by using the same strike action as for a drive shot. Even if not a winning shot, if played well, it will allow another attack.</p> <p>Straight Check Drop Shot Practices.</p> <p>Coach Demonstrates Practice 1. (Demonstration to include right/left hand).</p>		15 mins Total.	<b>The Coach can use the points below to observe the players and introduce the points to help players progress over a period of several sessions. Do not overload players with C.P's.</b>

**COACHING SESSION PLAN**

	<p>Practice 1. (With strongest hand)</p>  <p>Coach throws the ball underarm onto the front wall; Player stands in mid court and moves to hit the ball, gently pushing the ball just above the board to make the angle for the drop shot, pass ball back to coach: quick rotation of players.</p> <p>5 goes each player: Score 1 pt goes above board; 3 pts in nick/on box.</p> <p>Practice 2.</p> <p>As in Practice 1; now with the weaker hand.</p> <p>Practice 3. Game Situation: Conditioned</p> <p>Player A hits an easy serve to start rally in the back court. Player B plays a check drop shot return. Player A returns the ball to back court. Win the rally by playing a check drop shot only.</p> <p>5 serves player A, then 5 serves player B. Winners play winners; losers play losers.</p>		<ul style="list-style-type: none"> <li>-Look at ball coming out of Coaches hand and follow it until you catch/hit the ball.</li> <li>- Best to use a straight arm hitting action</li> <li>- Hand should come under the ball, putting an under spin on it for maximum effect. The hand then follows through as for all other shots.</li> <li>- Have to judge using the correct weight when striking the ball.</li> </ul>
<p><b>Recap &amp; cool down</b></p>			
<p><b>Player feedback &amp; evaluation</b></p>
